

Young Professionals and Student Competition 2012

Share ideas! Improve Communication!

Be Heard!

Win a trip to New York City, attendance at the ICE's 2012 Americas Convention and the following cash prizes:

Winner - \$500
2nd Place - \$300
3rd Place - \$200

- Practice paper writing skills and take your first steps to publishing
- Enhance communication skills and confidence in public speaking
 - Opportunity to represent your employer or academic institution
- Networking opportunity with industry professionals at the ICE 2012 Americas Convention
 - Capture knowledge and share your ideas

Why?

This competition recognizes the importance of effective communication within the Civil Engineering Industry and is a key opportunity for all graduates and students at the start of their careers to improve their written presentation and debating skills. It also presents an ideal opportunity to compete your ideas and innovations against those of your peers.

Subject?

The general subject field is Civil Engineering. Entries should preferably, but not necessarily, be based on your own work and can be adapted from school projects, research, professional development reports or project case studies. Get involved! This competition is deliberately open to a variety of backgrounds and subjects across the civil engineering industry - **have a go!**

How do I enter?

Complete the entry form with your paper title and a 300 word synopsis by **December 16th 2011**

The ICE USA and the Americas Young Professionals and Student Competition 2012 are supported by leading Engineering Consultancies
